

Dear Sir;I am appauled that as a citizen of the USA, that I freely choose to pay a monthly fee from my pocket to enjoy a variety and quality not available on "public radio", and you are entertaining the idea of denying me that choice.

I respectfully urge the FCC to reject the NAB's Petition 04-160 and to continue to allow me to pay for what I want and to support XM's ability to provide the kind of programming choices that I want and deserve.
